Storm Families,

I wanted to send a special & grateful **THANKS** for an amazing season! Also, for embracing Xander & I. You all are amazing families by far. I would like to keep in touch with all of you as I'm sure Xander would as well! He's expressed what great friends he's made.

To all the Storm parents, Thank You for ALL your kindness & friendship. Please let's keep in touch. Jeff & Mike... You two are the kindest & most encouraging individuals. Xander really looked up to you both & sad soccer is now over, but if he could still play with his buddies, that would be great! Mike, I WILL bring your Lumpia by, I PROMISE, PROMISE! ▪ Thank You so MUCH for helping & encouraging Xander & myself. I will be forever grateful as will Xander. I hope you all had a pleasant Thanksgiving!!

Forever Grateful,

Jana (Xander's Mom)
